2. Road Report

Bernadette Menendez

Road master Mark Hopkins reported-

In the last thirty days or so the road crew has been attending to their normal duties such as patching potholes, cleaning out storm drains and catch basin grates along with picking up Christmas trees. The road crew has been cleaning up debris along roadside and curbside throughout the township to provide better runoff from rain or snow melt. They have been keeping up with the maintenance on the equipment to service the township when winter weather occurs. They have responded to the last few snowstorms with no major problems and are prepared for what is to come. As a helpful suggestion to home owners when clearing snow at the end of their driveways please put the snow to the sides of the driveway instead of shoveling into the road so when the road crew comes back by it won't go back into your driveway. They have to get as close as they can get to your mailbox so postal service can deliver the mail.

3. Police Reports

Officer Gordon Denning

Chief James asked him to report about the same addresses in Glenburn Township on Waverly Road as the addresses in Waverly Township. We need to come to a solution to correct this for the 911 calls into the emergency center. Bernadette Menendez reported that she has spoken to Jackie at Waverly Township and they are working on correcting the problem. Cider Mill Lane: Per Malcolm MacGregor he will speak with owner of the home on Cider Mill Lane about the downed tree on roof of house and may be a problem. Owned by Dr. LiVecchi. Dave Jennings asked Malcolm about it. Malcolm will send out a letter to him.

4. Sewage Enforcement

Malcolm MacGregor

Glenburn Grill our two sewage enforcement officers are here. A Right to Know Request from Atty. Jerry Williams was submitted. There would be no public comments since the Sholcosky has hired an to represent them.

We will be responding to the Right to Know and asked for a 30 day extension.

Darlene Sholcosky asked what the permitting process was. The cost of permit and things like that, the permit was \$600.00 and the 2nd check was \$800.00. She wanted to know the process, Malcolm told her it is in the ordinances on line, and Darlene could not find it.
